Synopsis

Easter is fast approaching in the kingdom of Candyland, and the King and Queen are preparing for their sweetest celebration of the year. But chaos erupts when the kingdom's most important guest - the Easter Bunny - vanishes without a trace. With no bunny, no eggs, Easter is suddenly at risk.

To save the day, a band of much-loved and well-known fairytale folk rally together, led by Hansel and Gretel and joined by Skittle the butler, and Dame Cookie Dough, the palace cook.

Their quest soon reveals a dastardly plot. The Easter Bunny has been kidnapped by Count Humbug, a greedy, sweet-obsessed villain determined to hoard every last Easter treat for himself. He's locked the Bunny away in castle where he is guarded by his elite ninja warriors - the surprisingly nimble Three Little Pigs.

The rescue team journey through the treacherous Jellybean Forest and with a sprinkle of magic from Fairy Sugarplum, a dash of bravery, and a whole lot of teamwork, they storm Count Humbug's castle for a final showdown.

Can they outwit the Count, defeat his ninja piggies, and free the Easter Bunny in time to save Easter?

Of course they can - this is panto, after all.
